

Final Fight 3

YOU CAN TEACH A NEW SKULL OLD TRICKS

Metro City is under attack, and this time a new crime organization is claiming responsibility. Pulling pages from the Mad Gear Gang's guidebook, the feared group named SKULL CROSS are up to the same old tricks: arson, terrorism, assault and armed robbery.

Mayor Mike Haggar returns with the potent Guy at his side. With help from Cody's pal Lucia and the vengeance-fueled Dean, the Final Fight team will ambush the enemy at their next move. Choose to play one of the 4 characters, each with their own fighting style and SUPER knock-out techniques. Have a friend join in for a double assault on the city's scum and crush any punk that gets in your way!

- 9 huge levels of action that really pack a punch!
- Pull off special attacks to power up your SUPER move meter and blam! The multiple-hit punch and kick barrage you unleash devastates your opponents!
- Make decisions on directions to travel - makes your fight different every time!
- Enjoy 2-player simultaneous fun, or try the new AUTO 2-PLAYER mode where the computer acts as your teammate!
- 24-MEGS- the biggest Final Fight ever!
